About us

Our mission

At Be Healthy Group, we combine professional knowledge, a modern approach, and an unwavering commitment to excellence. We develop our own brands of dietary supplements, designed to meet the contemporary needs of the market and users. In our work, we are guided by responsibility, dedication, and a clear vision – to become a reliable partner on the path to better well-being and a better quality of life.

When caring for your health becomes a priority

Sweet Nutribites are dietary supplements in the form of delicious gummy candies that combine effectiveness, quality, and pleasant taste. They are the ideal solution for modern users who value ease and practicality of use. The formulations contain carefully selected vitamins, minerals, plant extracts, and other nutrients that support various aspects of vitality.

Sweet Nutribites – tasty, effective, and convenient

The Sweet Nutribites brand was created with the vision of bringing nutritional supplements to a wider range of users and creating a habit that promotes consistent health care. It is intended for anyone who wants to effectively support their body while appreciating the practicality and pleasant taste of dietary supplements – without compromising on quality, ingredients, and effectiveness.
